

GOSBERTON PATIENT LINK

Affiliated to the National Association for Patient Participation

Building work on the NEW Gosberton Medical Centre has started at last. Situated at the bottom of Lowgate Lane Gosberton.

Plans and layout of the building were put on display at Gosberton Public hall on the 2nd and 3rd of November last year at which the developers Primary Asset attended along with Medical Centre doctors Dr Brookes and Wiscombe with patient link members to answer any questions people may have had.

Spalding press were on hand on the Friday evening to take pictures of the superb model built by Mr Bob Hill of patient link showing the layout inside of both floors and also the handing over of a new ECG machine to the Medical Centre from S.A.D.S (Sudden Adult Death Syndrome) presented by Mr Geoff Hoare and his wife Noreen.

The model and artists impressions of the new build are now on display at the Medical Centre.

The patient link is running an Easter raffle to raise funds for the group to enable it to run future events it is planning to have during 2008 these will be advertised in the medical Centre in future months. First prize is £50 second £25 and many other prizes.

If you would like to buy some raffle tickets then members of the patient link will be available at most morning and evening surgeries or you can contact :-

Mr P Houldershaw Mobile 07966002207

Our next meeting will be on Wednesday the 6th of February at 7pm all patients are welcome.

Members of Gosberton Patient Link with and Simon Walsh (practice Manager)
Dr Brookes And Dr Wiscombe on the new medical centre site.
